Nature of Complaint:

10/03/06 Mr. Hutchison doesn't opposed the proposed rate increase but the way UNS is going to subsidize the charge. "UNS has a right to raise the rates because of high natural gas prices but the low users should not be penalized with a higher monthly increase. It doesn't reward for conservation but in fact rewards for people to use more gas."

Investigator's Comments and Disposition:

10/03/06 I advised Mr. Hutchison that his comments regarding the rate case will be placed on file with the Docket Control Center of the Arizona Corporation Commission to be made part of the record. The Commission will consider his comments before a decision is rendered in the UNS Gas application.

I appreciated his comments and the interest taken on the proposed rate increase. CLOSED.
